

Updated Course Mappings for Medidata Rave EDC®

This document provides a high level mapping of the content within Rave EDC micro modules, as covered in the new Rave EDC role based courses or an independent video on the Medidata Knowledge Space.

For more details, please check out the individual course outlines.

Note: The new role-based courses have the most up-to-date features and information, and are highly recommended. The micro-modules will be retired soon.

Micro-Modules (retired)	Running Time	Medidata Rave EDC: Getting Started Course (Updated) **	Medidata Rave EDC: Clinical Research Coordinator Course	Medidata Rave EDC: Principal Investigators Course	Medidata Rave EDC: Clinical Research Associates Course	Medidata Rave EDC: Data Managers Course	Independent Show Me Video (on Knowledge Space)
