

Your Global CRO Partner in Strategic Resourcing Solutions (SRS)

TFS is one of the largest mid-sized functional sourcing providers (FSP), utilized by over 30 well-known life science companies, including pharma, biotech, and medical device.

Our Strategic Resourcing Solutions Team

Our dedicated global SRS team comprises seasoned experts who help provide you with the right people to ensure your clinical trials, from early to late phases and RWE, are a success. Our team has more than 15+ years of experience!

Hanna Sandvall
