

## Medidata Rave CTMS: Configuring Monitoring Visits eLearning

**Course Description:** Welcome to the Medidata Rave CTMS: Configuring Monitoring Visits eLearning. Monitoring Visits allows a CRA to efficiently create their site visits, as well as confirmation and follow-up letters. Through thoughtfully designed workflows, the Study Manager and CRA may then enter into a review process to finalize these visits. This course will take you through the configuration process to set up the Monitoring Visits feature for your studies.
